RuneTag ID 0

Floor sheet for the RuneTag marker mode (dashboard: Connect > marker = RuneTag).

Cut on the crop marks: 250 x 250 mm. Print at 100% / actual size on A3, no fit-to-page.

The seal with the arrow marks the TOP edge. Keep the dots clean and the sheet flat.

Layout on the floor, seen from above:

0	1
3	2

far side (top edges point this way)

edge to edge: centres 250 mm apart

camera (phone C) side

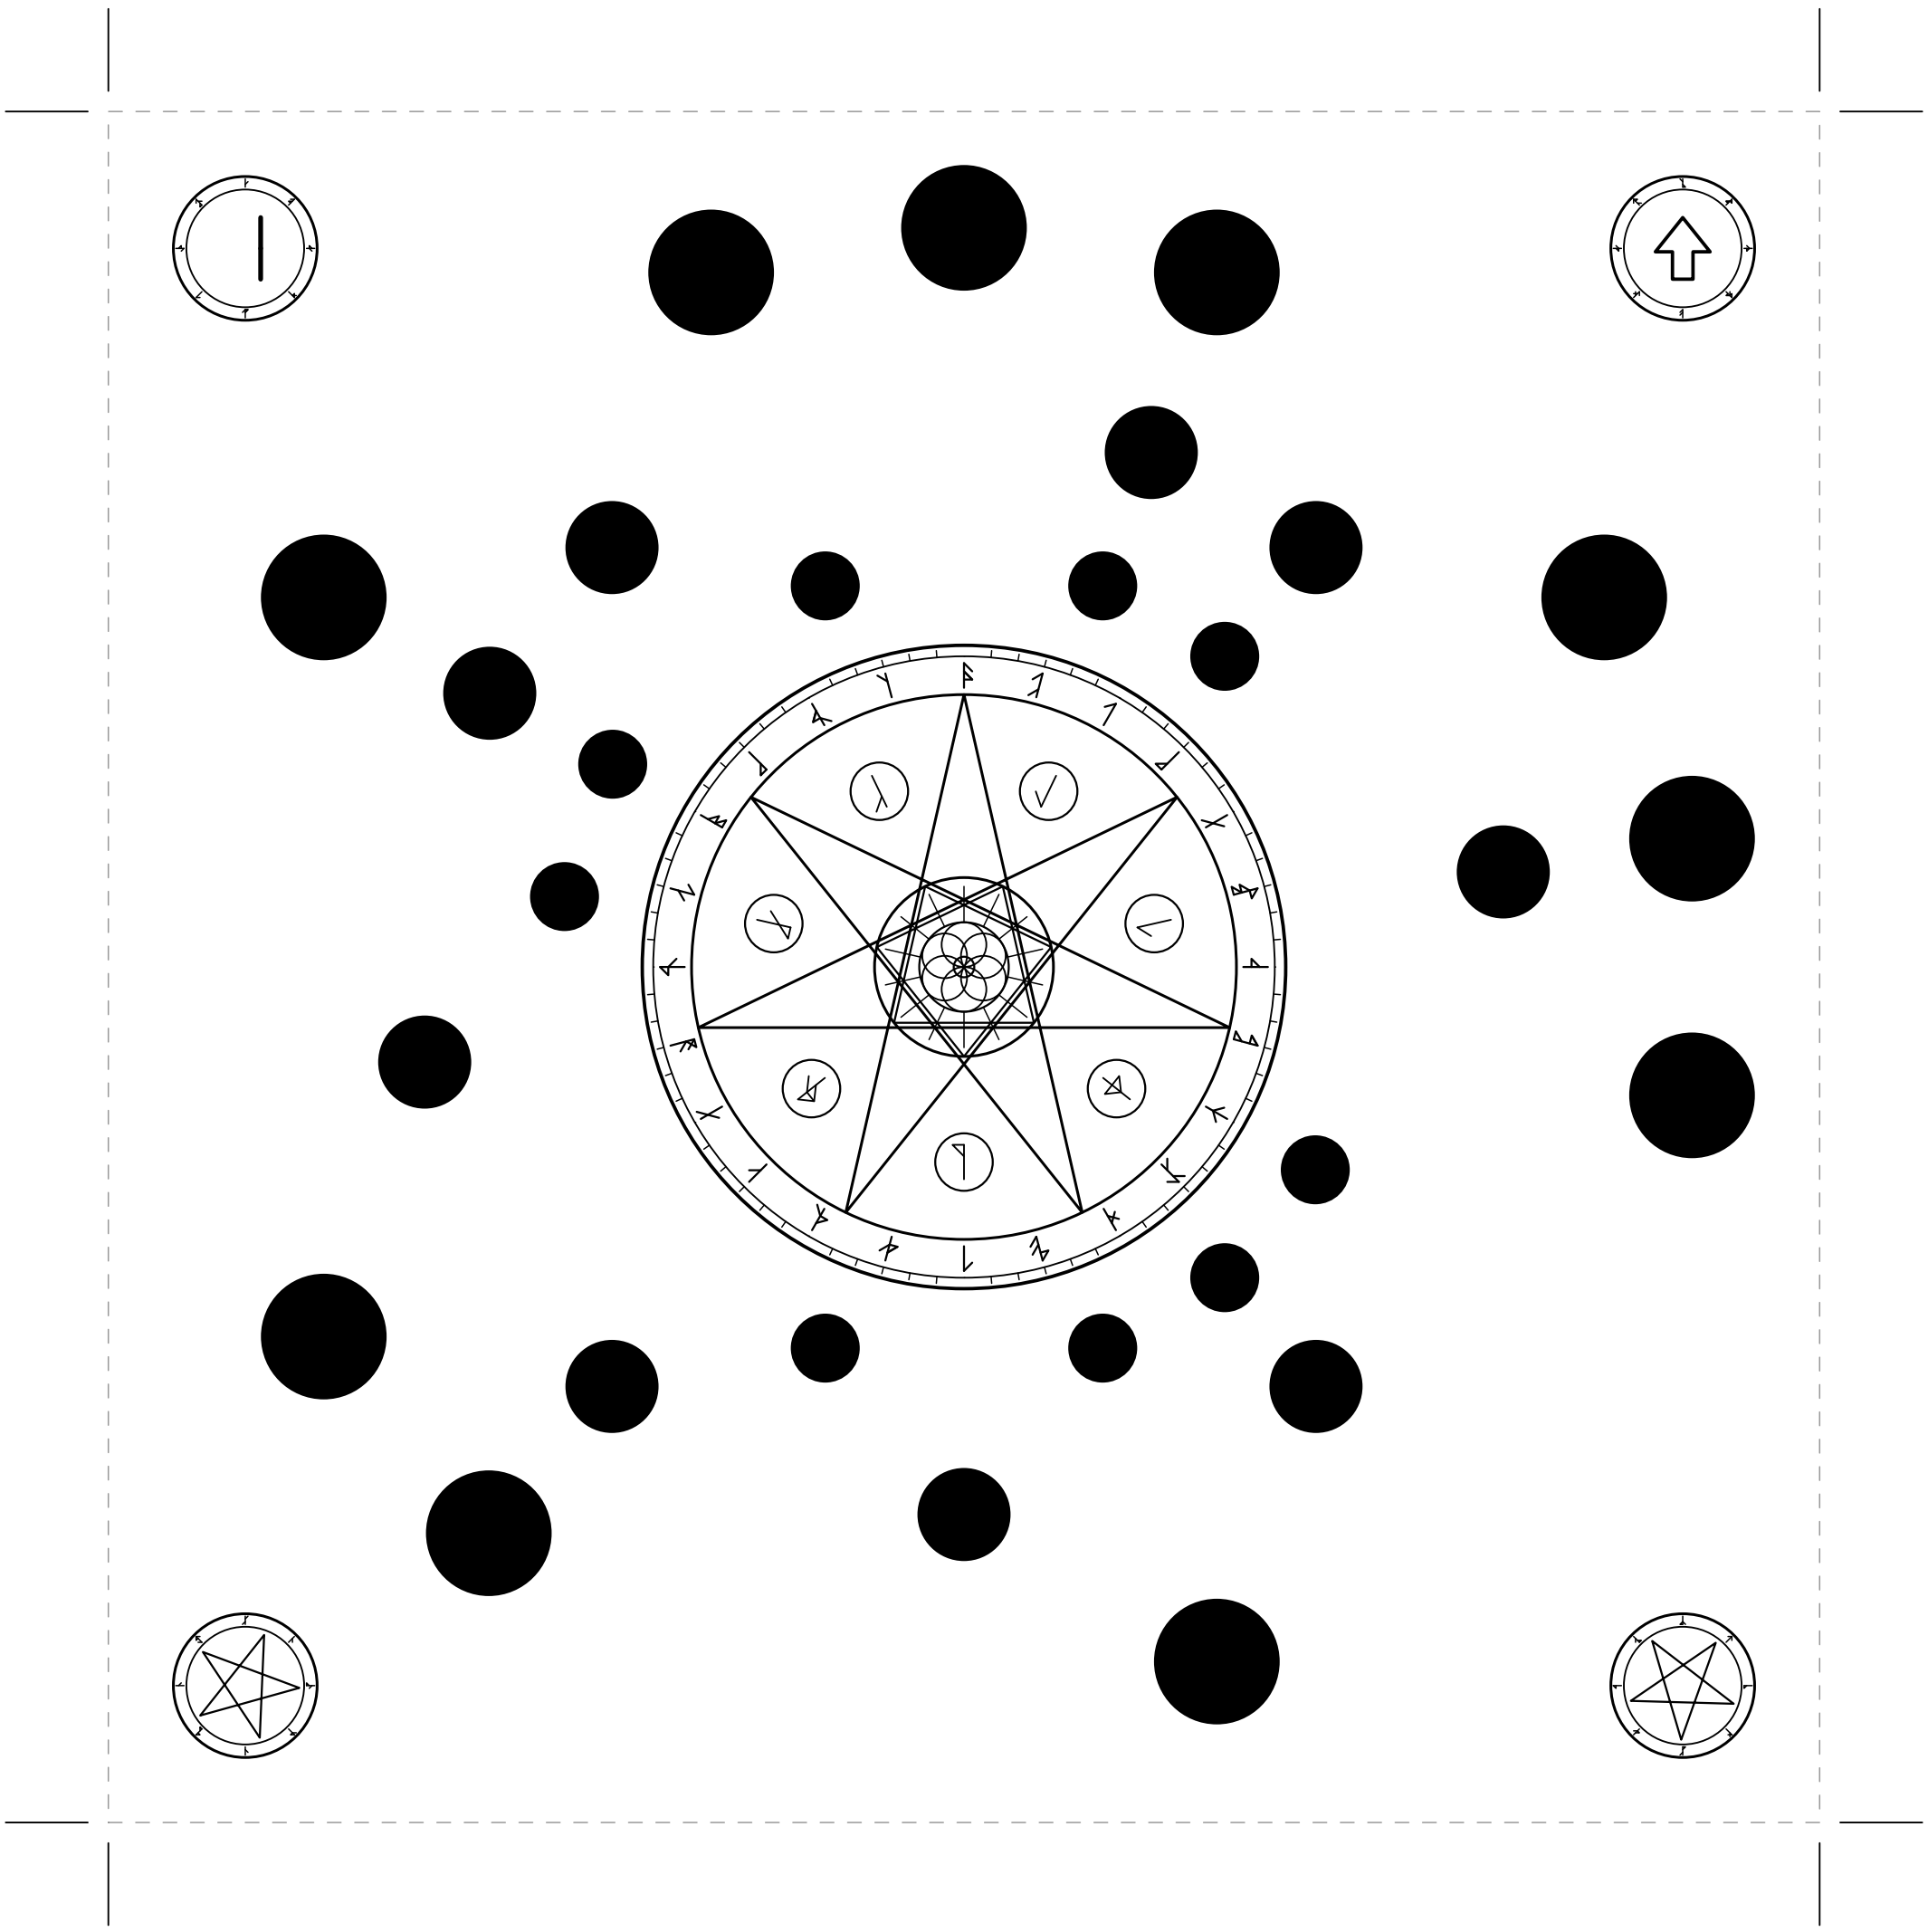

100 mm: if this bar is not 100 mm, the printer scaled the page

RuneTag ID 1

Floor sheet for the RuneTag marker mode (dashboard: Connect > marker = RuneTag).

Cut on the crop marks: 250 x 250 mm. Print at 100% / actual size on A3, no fit-to-page.

The seal with the arrow marks the TOP edge. Keep the dots clean and the sheet flat.

Layout on the floor, seen from above:

0	1
3	2
